

ONYX25

RECOGNITION & LEADERSHIP PROGRAM

The Collegiate Black Male Network is a 501(c)(3) organization whose mission is to help increase the persistence and graduation rates of collegiate Black men.

The ONYX25 Under 25 Recognition & Leadership program is designed to celebrate African-American male undergraduate students across the nation who have proven themselves as role models for their campus and community. In collaboration with our various partners, we are supporting the next generation of leaders to be competitive in the global market.

BENEFITS OF THE PROGRAM

Recognition

We recognize participants for their outstanding academic and community achievements.

Development

We coach and develop transferable career readiness skills through leadership and professional development workshops.

Engagement

We create inclusive spaces for participants practice transferable skills learned in the program.

Networking

We connect participants with corporate talent management and mentors for various career opportunities.

Other benefits include a Certificate of Recognition, Official Lapel Pin, Induction Ceremony, Special Feature in The Educated Mentor, Organizational swag items, and more!
